The amount of coverage shall be defined by Agency regulations. The Agency may, as required, be listed as "loss payee" on the policy.
5. Employees. The Lender shall maintain a staff that is well trained and experienced in origination and/or loan servicing functions, as necessary, to assure its capability in adequately performing its responsibilities under this Agreement and Agency regulations and guidelines.
6. Facilities. The Lender shall operate its facilities and branch offices in a prudent and businesslike manner.

The Lender is required to establish and maintain adequate written policies for loan origination and servicing, including plans for quality control monitoring of production and servicing activities. Plans will be subject to review upon the request of the Agency to ensure the plans meet the Agency's requirements.
8. Escrow Accounts. The Lender must establish separate mortgage escrow accounts, as required by the guaranteed/insured loan program and by applicable Federal and State laws and regulations. All escrow accounts must be fully insured by the Federal Deposit Insurance Corporation.
9. Reporting Requirements. The Lender recognizes that the Agency, as guarantor/insurer, has a vital interest in ensuring that all acts performed by the Lender regarding the subject loans are performed in compliance with this Agreement and Agency regulations and guidelines. Information on the status of guaranteed/insured loans is necessary for this purpose, as well as to satisfy budget and accounting reporting required by the Department of the Treasury and the Office of Management and Budget.

C. Underwriting Requirements

1. Responsibility. The Lender is responsible for following the requirements for originating, servicing, and collecting all loans under the Agency's guaranteed/insured loan program. The Agency shall specify which actions performed by the Lender are non-supervised acts and which acts require the Agency's review and approval. Both supervised and non-supervised actions must be performed in accordance with the Agency's regulations or guidelines.
2. Origination/Underwriting Process. The Lender shall, in accordance with Agency's regulations and guidelines:
- Determine if loan applicants meet the general eligibility requirements of the Agency's guaranteed/insured loan program;
 - Determine whether or not the applicant is delinquent on any Federal debt. The Lender shall use private credit reports and any credit history available from a Federal database to ascertain whether the applicant has a delinquent Federal debt outstanding. If the applicant has a Federal debt delinquency, the Lender must suspend processing of the application. In accordance with Agency guidelines, the Lender may resume processing of the application if the applicant provides documentation from the Federal agency holding the delinquency that the debt has been repaid or that the delinquency has been otherwise resolved. The loan file must include appropriate documentation;
 - Ensure that the value of any collateral property or property to be purchased is determined by a qualified appraiser, including a state licensed or certified appraiser when required by Agency regulations. Lenders are responsible for being aware of and satisfying any other appraisal requirements in Federal and state law or regulation that exceed Agency requirements; and
 - Underwrite loans after viewing and determining the acceptability of the applicant's credit history and loan repayment ability, and the adequacy of any collateral securing the loan.
3. Origination – Disapproval. The Lender will disapprove applications where the applicant does not qualify for a guaranteed/insured loan under the requirements and procedures of the Agency.

 - Ensure that all closing documents required to be recorded are submitted to recording offices in a timely and accurate manner after closing;
 - Ensure that security interests in collateral are perfected according to applicable regulatory requirements and procedures;

 - Ensure that all loan proceeds are used as authorized.

D. Servicing Requirements

1. Responsibilities. Servicing to be performed by the Lender on Agency guaranteed/insured loans must be at least equal in quality to that servicing provided by a prudent institutional lender for its own portfolio of similar loans which are not guaranteed/insured by the Government. The Lender, or its authorized agent, must take prudent steps to collect and apply loan payments; protect and preserve the loan collateral in accordance with Agency regulations when insured or guaranteed properties are vacant or abandoned; and liquidate the loan if repayment cannot be reasonably assured through the use of collections tools or loan adjustments permissible under Agency regulations or guidelines. The Lender shall maintain all records required to document or properly service a loan.
2. Payments. Payments from the borrower shall be processed upon receipt under Agency regulations or guidelines, and include sufficient escrow premiums for hazard insurance and real estate taxes.
3. Insurance. The Lender is responsible for maintaining hazard insurance if the borrower fails to do so to the extent required by Agency regulation. The Lender shall take all necessary steps, as required by Agency regulation, to maintain the collateral when the borrower fails to do so.
4. Special Requests. The Lender shall consider any requests for loan subordination, release of collateral, or reduction or temporary suspension of loan payments, in accordance with Agency requirements.
5. Delinquent Accounts. The Lender shall make a diligent effort to contact and collect payments from borrowers who fail to make payments as agreed; assure that collateral is maintained and protected; and work with borrowers to arrange forbearance, if appropriate, as required by Agency regulations.
6. Serious Default/Foreclosure. When a mortgage is in serious default, (i.e., over 90 days delinquent), the Lender must take prompt and diligent action. Actions to obtain property title through foreclosure or voluntary conveyance, as well as all incident actions, must be consistent with applicable laws and Agency regulations. The Lender is expected to preserve and protect the property and title in accordance with pertinent laws, and Agency regulations and guidelines.
7. Loan Servicers. The Lender shall transfer and/or assign the right to service single family housing guaranteed/insured loans only to servicers meeting applicable participation requirements and performance standards. Such servicers must agree to provide, either directly to the Agency or through the Lender, information necessary for the Lender to comply with the reporting requirements of this Agreement, as well as permit reviews of their operations under Paragraph E of the Part. Servicers may resell the loans only to qualified servicers.

E. Agency Reviews of Lender's Operations

The Agency shall have a right to conduct reviews, including on-site reviews of the Lender's operations and the operations of any agent of the Lender, for the purpose of verifying compliance with this Agreement and Agency regulations and guidelines. These reviews may include, but are not limited to: audits of case files, interviews with owners, managers and staff; audits of collateral; and inspections of the Lender's and/or its agent's underwriting, servicing and/or liquidation guidelines. The Lender and/or its agents shall provide access to all pertinent information to allow the Agency, or any party authorized by the Agency, to conduct such reviews.

F. Conformance to Standards

1. Standards. The Lender shall conform to all originating, servicing, reporting, and operational standards imposed by the Agency in the execution of its guaranteed/insured loan program. Additionally, the Lender shall comply with all other applicable Federal and State laws, regulations, and guidelines.
2. Determination of Non-Conformance. The Agency shall carefully consider the facts and circumstances available when determining whether or not the Lender has acted in non-conformance with the applicable standards. The Agency's determination may be as a result of, but not limited to, a review of the following:
 - Conformance in meeting financial criteria of the Agency;
 - Adequacy in meeting the standards of the Agency, including origination, servicing, collection of fees and loan payments, and protection of collateral;
 - Adherence to the reporting requirements of the Agency;
 - Evidence that the Lender is operating in a sound and prudent businesslike manner;
 - Performance ratios of the portfolio compared to industry performance ratios for delinquency and default; and
 - Audit findings of on-site reviews conducted by the Agency of the underwriting and/or servicing performed by the Lender or the financial condition and viability of the Lender.
3. Agency Action. If the Lender is found to be in non-conformance with Federal or State law or regulation, Agency guidelines, or terms of this Agreement, the Agency reserves the right to take action in accordance with its laws and regulations.

PART II – DURATION AND MODIFICATION

A. Duration, Termination and Extension of Agreement

1. Termination by the Agency. This Agreement shall be valid unless terminated by the Agency, in accordance with Agency requirements.
2. Termination by the Lender. This Agreement may be terminated by the Lender at any time, in accordance with program requirements.
 - The Lender shall remain obligated to service and liquidate the guaranteed/insured loans remaining in the portfolio. Unless and until the Agency or the Lender transfers the guaranteed/insured loans to a servicer acceptable to the Agency, all requirements concerning loan management of the Lender and rights of the Agency under this Agreement shall remain in full force and effect.
 - The Lender shall notify the Agency of its intent to terminate the Agreement in accordance with Agency regulations.
3. Effect of Termination on Responsibilities and Liabilities. Responsibilities or liabilities of the Lender that existed before the termination of the Agreement will continue to exist after termination, unless the Agency expressly releases the Lender from any of its responsibilities or liabilities in writing. This is true whether the Agreement was terminated by the Lender or by the Agency.

B. Entire Agreement

This Agreement, Parts I through III inclusive, and any regulations or guidelines incorporated by reference, shall constitute the entire Agreement. There are no other agreements, written or oral, regarding the terms contained in this Agreement which are or shall be binding on the parties.

Instructions for Certification

1. By signing and submitting this form, the prospective primary participant is providing the certification set out on the reverse side in accordance with these instructions.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out on this form. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the department or agency to whom this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

6. The prospective primary participant agrees by submitting this form that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.
7. The prospective primary participant further agrees by submitting this form that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.
